

**ROUND 1 INTERVIEW: INBEE PARK**  
**Friday, June 26, 2015**

**Q. How did you like playing as the No. 1 today?**

**INBEE PARK:** Oh, I didn't feel that much different. Another tournament, normal tournament, yeah.

**Q. Any different looking over at the green caddie bib?**

**INBEE PARK:** It was too crazy with a lot of delays, I didn't even get a time to look at the caddie bib, I guess. But it was a great feeling being back at No. 1.

**Q. Is that an advantage playing this morning or so knowing you won't have to play tomorrow early?**

**INBEE PARK:** Well, I think the other side didn't get to wake up early today. We got stuck in two delays, pretty long day.
