

**ROUND 2 INTERVIEW: MI JUNG HUR**  
**Saturday, June 27, 2015**

**Q. Came out and didn't get off to a great start but solid start, right? How are you feeling now?**

**MI JUNG HUR:** You know what, I think my putting was really good yesterday. It dropped more often. Today it's like a lot of lip-outs. But I like today's round. I satisfied with my round today.

**Q. How did it feel yesterday though when you got on such a roll there? I mean, is that some of the best golf you've played?**

**MI JUNG HUR:** Well, I had that happen a few rounds in my life, but yesterday I just, I have no think. I mean, I didn't think too much, just think about where I am, like 150 yards, 8-iron. I just hit it. Didn't think of, oh, there's a bunker; oh, there's a wind. I definitely think about the wind, but didn't think about any other like bad things on the course.

**Q. Irons have been pretty solid.**

**MI JUNG HUR:** Yes, irons and putting as well.

**Q. You said you really like these greens. What is it about them? The grass?**

**MI JUNG HUR:** But this afternoon a lot of lipped out, but I still like it. Mostly the condition of the green is perfect, and then the roll, pure where I hit it. Like poa annua grass, yeah, when you hit perfect it bounce everywhere, so I don't like poa annua, but I like this kind of greens. I look forward to play tomorrow.

**Q. Did you and Na Yeon grow up playing against each other?**

**MI JUNG HUR:** Um-hmm, yeah, when we were like 12, 11.

**Q. Since you were 12 or 11?**

**MI JUNG HUR:** Um-hmm.

**Q. Who usually wins?**

**MI JUNG HUR:** (Laughter.)

**Q. Have you guys ever played in the final group together if that happens this week?**

**MI JUNG HUR:** You mean on the Tour?

**Q. Just in general.**

**MI JUNG HUR:** We had a lot in junior, but I cannot remember when we played last time on the Tour together.
